The following information is what you need to know when planning for the year ahead.

### Valid 1 April 2022 – 31 March 2023

- For available products and vehicle specifications please visit our website at [www.apollocamper.com](http://www.apollocamper.com)
- We use a Flex System and all Flex Rates reflect the 'Partner Price'.
- Rental days are calculated per calendar day. The day of pick-up is calculated as the first day of booking and the day of return is calculated as the last day of booking.
- Rates are in Australian dollars and include 10% Goods and Services Tax.
- Flex Rates reset after 7 days. Please refer to the separate Flex Grid Doc if applicable to you.
- Not all rates and terms apply to group bookings. Group bookings consist of 4 or more RVs travelling together and should be directed to [partners@apollocamper.com](mailto:partners@apollocamper.com)
- For ease at pick-up please specify the correct number of guests (and ages of children if applicable) and include correct guest contact details and name on all bookings.
- Payment is due 30 days prior to travel.

### Driver Licence and Minimum Age

A current and full motor vehicle driver licence is required to be shown at pick-up and all drivers need to be present. If the driver licence is not in English then we require an accredited English translation or an International Driver Permit.

Note: UK driver licences that have had approved extensions by the UK DVLA (Driver and Vehicle Licensing Agency) can still travel for up to 11 months past the licence expiry. This extension only applies to full GB driving licence holders. It does not apply to provisional driving licence entitlement.

StarRV, Apollo and Cheapa Campa drivers must be 21 years of age or over, have held a licence for at least two years and the licence must be valid for the entire booking duration.

Hippie drivers must be 18 years of age or over with a full driver licence or hold an Australian Green P licence or equivalent.

It is important to select the correct country in which the driver licence was issued to ensure correct rates are calculated.

## Multiple Rentals

We love to reward our long-term road trippers so consecutive rentals, within a 3-month period, in Australia, New Zealand, North America, Germany, France, the United Kingdom and Ireland on **StarRV**, **Apollo**, **Cheapa Campa**, **Hippie**, **CanaDream** and **Bunk Campers** can be combined to obtain a long-term discount. If drop-off of one RV and pick-up of a new RV occurs on the same day, then a day will be charged for each RV. Multiple rentals are considered separate rentals under the one-way fee and minimum rental period conditions.

## Discounts

Guests who love road trips as much as we do and travel for more than 21 days, receive 8% off daily rates. This is also available to guests with multiple bookings that total 21+ days.

Planning early pays off! When booking 180+ days in advance, guests receive a 5% Early Bird discount on all brands.

The Early Bird Discount and Long-Term Discount can be combined to get an even better road trip deal.

## Booking Alterations

We understand that sometimes plans change. If this is the case, any changes made to a booking will be calculated by using the higher of the following two rates - either the original Flex Rate or the Flex Rate current at the time of booking alteration.

The following are considered as a booking alteration:

- Change of name
- Change to pick-up or drop-off dates
- Change pick-up or drop-off branch location
- Change of RV category
- Change of rate scheme including special rates

If the rate scheme or RV category is changed, this is considered a new booking and cancellation fees may apply to the original booking.

If there are any last-minute alternations made within 14 days of pick-up, we will be happy to accommodate these depending on availability. However due to the short notice if the holiday is shortened, the number of days originally booked will be charged.

If the pick-up or drop-off location is altered within 14 days of pick-up, a change of location fee may also apply.

## Change to the Drop-Off Location after Pick-Up

If your guest changes their drop-off destination after pick-up, they should get in touch with our friendly Reservations team who will be happy to help. Our team will advise guests if the change is possible and the applicable fee.

## Extending a Road Trip

If your guest is having so much fun that they want to extend their booking whilst on the road, they should first contact our friendly Reservations team who will be happy to advise if the extension is possible, and the associated costs. To secure an extension, the extra costs (calculated on the current rate of the day), will need to be paid by credit card inclusive of all taxes and surcharges, either over the phone or at an Apollo Branch at the time of extension. Any long-term discounts in place will continue to apply to the booking.

We will always do our best to accommodate any extensions, subject to vehicle availability.

## Change of RV

Our RVs can be requested by category, however not by make or model. We always do our best to accommodate requests, however, should the RV booked be unavailable due to unforeseen circumstances, we will substitute the booked RV with an alternative available RV at time of pick-up, at no extra cost. Any changes made to the booked RV and agreed to by the guest do not entitle the guest to a refund.

In the event of an alternative RV being unavailable, Apollo's liability is limited to a refund of the hire charge or in the case of mechanical failure (unless caused by the guest), the remainder of the hire period.

## Online Check-In

It is mandatory for guests to complete Apollo's online check-in prior to pick-up at: <https://preregistration.apollocamper.com/>

By completing the required pick-up information ahead of the pick-up date, guests will experience a smoother and quicker RV collection process. Guests will also be required to watch our Apollo safe driving video prior to pick-up, and can access our 'How To Videos' through the Apollo Connect app prior to pick-up to learn how to use their RV.

## ApolloConnect

ApolloConnect is our custom-built app for guests travelling in Australia and New Zealand. The free app provides our guests with all the necessary information needed to make their Apollo journey even better.

The app is designed to:

- Enhance guests' holiday experience by providing 'how-to videos' prior to pick-up, so that they become familiar with their vehicle before arriving at the branch and prepare any questions they may have.
- Educate our guests on how to use the vehicle and safe driving practices.
- Provide Apollo contact details to extend their holiday, contact roadside assistance, email any other enquiries, and find answers to FAQ's.
- Provide information on campgrounds while on the road and allow for campgrounds to be booked.
- Search and book great deals on attractions and activities.
- Find helpful travel information such as branch locations, nearby petrol stations, dumping stations, supermarkets, and ATMs.

Guests can download the app on **Google Play** or the **App Store**. We request you provide a link to our online check-in and ask guests to download the ApolloConnect app on your confirmation documentation.

## Getting To and From the Airport

Branches are conveniently located near major airports, making pick-up and drop-off easy for our guests. Guests can arrange transport to and from the airport via taxi or rideshare at their own cost.

## Branch Locations

Apollo branches are located across Australia, allowing you to plan for road trips both long and short. Our Broome branch is a little more remote than others and therefore a single \$750.00 location fee applies to guests who pick-up or drop-off at our Broome branch.

Certain RVs are only available in certain locations. The matrix below is a guide to available vehicles at each of our branches.

## Branch Hours and Public Holidays

The opening hours of our branches vary, depending on location and seasonality. The table below details the specific hours for pick-up and drop-off.

Location	Dates/Hours for Pick-up and Drop-off	
Adelaide Alice Springs Brisbane Cairns Hobart Melbourne Perth Sydney	1 April 2022 - 31 March 2023 8am 9am to 4pm 7 days a week	
Broome Darwin Alice Springs	1 April - 19 December 2022 8am 9am to 4pm 7 days a week Broome closed Sunday	20 December 2022 - 31 March 2023 Closed

Our Broome, Darwin and Alice Springs branches are closed during the wet season (20 December to 31 March). During this time roads are muddy and hard to navigate and for safety reasons, we strongly recommend that guests avoid travelling to the top end of Australia during this time.

Our staff enjoy a holiday as much as you do and all our branches are closed on public holidays including Good Friday (15 April 2022), Christmas Day (25 December 2022), New Year's Day (1 January 2023), and Observed Australia Day (26 January 2023).

## Booking Duration

An RV holiday allows guests to travel at their own pace. To ensure our guests get the most out of their road trip, a minimum five-day booking period applies when pick-up and drop-off is from the same branch location. Higher minimum rental days apply for all brands as follows and are subject to change. Updates with minimum rental periods will be advised through Apollo Announcements.

Peak	Pick-up From:	Pick-up To:	Minimum Days:	Locations:

Christmas	18 December 2022	2 January 2023	10	All
Lunar New Year	28 January 2021	10 February 2022	10	Melbourne, Perth, Sydney

Additional minimum rental periods for other peak periods may apply and will be communicated through Apollo Announcements.

## One-way Bookings

Road trips don't always finish where they start, and some of the best adventures take you far and wide. If a guest drops off at a different branch location from which they picked up, a minimum booking period and \$165.00 one-way fee applies.

There are no one-way rentals permitted from Hobart to any other location between 1 November and 31 March unless specific permission is granted by Apollo Reservations.

The minimum booking periods for one-way bookings are detailed below.

## Travel Restrictions

Not all RVs are suitable for all driving situations, so it's important the right RV is chosen for the travel planned. Apollo, at its discretion, may restrict RV travel in certain areas due to adverse road or weather conditions, and the distance to nominated destinations in relation to the length of the rental period. If applicable, any further restrictions will be mentioned at pick-up.

Guests are encouraged to contact Apollo Assist on 1300 798 212 if they have any concerns regarding road accessibility. For the safety of guests, the following travel restrictions are in place:

**Hippie** Hitop and Endeavour Campers can be driven to the Northern Territory at an additional cost of \$30.00 per day provided written permission is obtained from Apollo Assist prior to travel. **The Hippie Drift is not allowed in the Northern Territory.**

Guests who travel to restricted areas without permission will void all Liability Cover in the event of damage or accident and may be subject to a penalty fee of \$300.00 charged on each occasion identified.

## 2WD RVs

Our 2WD RVs aren't equipped for rough terrain and cannot be driven on unsealed roads. Well-maintained access roads which lead to recognised campgrounds less than 10 kilometres long are allowed.

Apollo 2WD RVs can be driven to any island on sealed roads provided permission is obtained from Apollo Assist prior to travel.

Our 4WD Restricted areas maps are available to download on the Apollo Resource Gallery or the Apollo website.

### Kilometres

For the safety of guests please don't underestimate the time it will take to drive from one point to another. While our 2WD RVs include unlimited kilometres, we recommend travelling a maximum of 250 kilometres per day or the equivalent of 4-5 hours driving. We encourage our guests to take a break from driving at least every 2 hours.

Our 4WD rates include 300 kilometres per day, however, should a little more adventure be needed, 500-kilometre packages are available before or at time of pick-up for \$150.00 (\$188.00 RRP). If the distance travelled is a little longer, any excess kilometres will be charged at \$0.40 (RRP) per kilometre, payable on return.

### Returning the RV

The RV is a home away from home and for comfort, we recommend it's kept tidy throughout the road trip. The RVs need to be returned to the branch as they were taken, with the interior cleaned and toilet cassette (where applicable) and holding tanks emptied. The RV exterior does not require cleaning unless it's covered with excessive dirt or mud, making it difficult for our team to see its return condition. Drop and Go (included with StarRV) is available to be pre-purchased or added on pick-up to offer quick and easy return.

### Repairs

We understand that while on holiday the RV may require small repairs. To avoid further disruptions to the road trip, if the damage was not caused by the guest, repairs up to \$100.00 can be completed without authorisation and will be reimbursed upon presentation of receipts. If repairs over \$100.00 are needed, the Apollo Assist team should be informed prior to any repair being completed. Unauthorised repairs are not permitted.

All RVs are covered by Australian Automobile Association and 24hr mechanical emergency roadside assistance is available if needed. Please contact Apollo Assist on 1300 798 212.

### Infringements, Tolls and Fines

Apollo will pass on any charges the guest receives for traffic infringements, toll, or parking fines during their road trip. For toll way fees received, Apollo reserves the right to charge the guest's credit or debit card upon receiving the toll way fee. An administration fee of \$75.00 to cover associated administrative costs per toll way fee, traffic infringement or parking fine received may be charged.

Apollo offers guests the option of purchasing our Toll Package for \$39.00 which gives guests a \$50.00 'toll credit'. When travelling through toll ways the credit will be used up to the value of \$50.00. Once \$50.00 is exceeded, another toll package of

\$39.00 will be automatically charged to the guest's credit card. (A \$0.75 registration matching fee applies within the \$50.00 credit).

### Animals

We believe fur friends can only make a road trip better. Pet dogs are allowed to travel in **Apollo**, **Cheapa Campa** and **Hippie** vehicles with written permission from Apollo at the time of booking. Pet dogs are not permitted in **StarRV** RVs. There is a \$200.00 pet fee (excluding service animals). Service dogs are permitted in all vehicles. **If a vehicle is returned soiled by a pet, Apollo reserves the right to charge an extra cleaning fee.** Our full policy can be viewed on the Apollo website.

### Smoking and Drugs

Our RVs are a smoke free and drug free zone; hence smoking or drugs are not permitted in any of our RVs. **If smoke or drug residue is detected Apollo reserves the right to charge a cleaning fee.**

### Payment at Branches

For security reasons, we accept credit card and debit card for charges paid at RV pick-up and drop-off. We do not accept cash at our branches. The Bond is payable at pick-up by credit card or debit card and cannot be paid with a pre-paid credit card.

### Credit Cards

We accept Visa, MasterCard, American Express, Diners Club and Union Pay. The following fees apply for the rental charges and any additional products (irrespective of chosen account e.g. savings, credit, etc.):

	Rental/Extras
Visa/MasterCard debit card	0.71%
Visa/MasterCard credit card	1.52%
Amex/Diners/Union Pay	2.80%

*Fees are subject to change*

### Travel Insurance

For peace of mind, we strongly recommend that all guests take out the highest level of private travel insurance.

### Personal Injury

The RV has Third Party insurance cover, and it is likely that any other vehicle involved in an accident also has Third Party insurance. Depending on the circumstances of an accident, the guest may be entitled to claim for their personal injury against the Third-Party insurance of the party responsible for the accident. The extent of such Third-Party insurance varies in different States and Territories and Apollo strongly recommends that all passengers take out their own Personal Injury travel insurance.

### Property Damage

The RV is insured for damage to it and damage to the property of a third party. However, the guest is responsible up to the amount of the applicable Liability for damage to third party property, or to the RV. The guest is also responsible for the cost of the daily rate for the period the vehicle is being repaired. There is no refund for any unused portion of the rental period. The Liability applies to each claim, not RV.

The Liability is applicable regardless of who is at fault and must be paid at the time the accident is reported to Apollo by telephone on a credit card, not on return of the RV. Apollo reserves the right to charge the guest for any RV damage including Third Party property damage not reported but identified on return of the RV.

### Liability Options

For peace of mind on the road we offer a range of Liability Options for guests. Guests can choose between the following options:

- 'The Low Road' - our most basic level of Liability cover.
- 'The Middle Road' - an option to lower the Liability/Bond amount.
- 'The High Road' - our highest cover option giving the most peace of mind.

The amount payable for each Liability Option is based on the number of days of hire for the minimum rental period applicable for each RV or total days of the RV booking. The maximum charge for Liability Options is 50 days per rental segment.

## Bond

The Bond payment will depend on the Liability Option chosen. If the guest chooses to take 'The Low Road' or 'The Middle Road' the total Bond will be debited to the credit or debit card immediately.

If the guest chooses to take 'The High Road' the Bond is payable to Apollo by an open signed credit card imprint with an authorisation for \$100.00/\$250.00/\$500.00. The credit card holder must be present to sign for the Bond when they pick-up the RV and is liable for any damage to the RV.

The Bond is fully refundable provided our rental contract terms are met. The RV simply needs to be returned to the Apollo branch location booked on time, full of fuel and with the toilet cassette and grey water tank emptied. Credit card refunds (including Bond refunds) can take up to 14 business days depending on the guest's financial institution.

If there is damage to the RV on its return or any other terms of the rental contract have not been met, the Bond will be used to cover the cost up to the amount of the relevant Liability. If the terms of the Rental Contract are not met and the Bond is not sufficient to cover the damage, extra costs will be charged.

If a guest is continuing with another Apollo RV booking, the Bond can be transferred to the next booking within Australia.

## Exchange Rate / Currency Variations

All transactions are conducted in Australian dollars. Due to exchange rate fluctuations, there could be some variance in the amount refunded compared to the amount initially charged. Refunds by credit card can take up to 14 business days depending on the guest's financial institution.

## Value Pack

The Value Pack (Star Pack for StarRV) is a bundled extra which provides the highest Liability Option and selected value-added products/services for a great road trip. The minimum amount payable per rental for Value Pack will be based on the minimum rental period applicable for the booking. The maximum amount payable is 50 days per rental segment.
