The remaining balance of all rentals is due 28 days prior to the commencement of the rental period and will be deducted from the credit card provided when securing the booking. If after this date the hire cancels their booking the cancellation policy will apply.

#### 8. Credit Cards

**All Credit Card transactions are conducted in New Zealand dollars.**

Our preferred payment method is by Credit Card / Debit Card or Cash (NZ\$). We accept Visa and MasterCard transactions (including the security bond) and a charge of 2% applies on these credit cards. There is no charge for cash. Our policy is to charge your credit cards in New Zealand Dollars.

**Due to the exchange rate fluctuations there could be some variances in the amount refunded compared to the amount initially charged. We do not accept any liability for variances up or down. Any Refunds by Credit Card can take up to 21 working days depending on the renter's financial institution.** We will take a copy of your credit card for any infringement that you might get whilst on your travels.

##### a) Security Bond

A valid Visa or Mastercard credit card is required for the security bond. If you do not have a valid Visa or Mastercard please contact us so that we can email you a credit card authorisation form which allows you to use the credit card of a family member/guarantor.

When you collect your vehicle, we take a copy of **your credit card for the security bond if we have not received a pre authorisation.** We do not deduct the bond from the credit card at the start of your hire, but merely hold the authority to deduct it in the unfortunate event of an accident or any infringements incurred. The amount of the security bond is determined by the applicable liability reduction option you have chosen.

The copy of your credit card covers your accident/ damage security bond liability plus any extra costs such as refilling fuel, cleaning, emptying of the toilet at the end of hire or any traffic infringements, losses or breakages and any related surcharges. Each separate accident will incur an excess charge. A credit card imprint must be on all rental agreements and must be the credit card of the main hirer unless prior arrangements have been made.

**Happy Campers does not accept Debit Cards for the bond. Where a credit card is not available, a cash security bond is required and will be held by Happy Campers, up until the vehicle is returned. Of the cash security bond, we will retain \$500.00 until 30 days out from your drop off of the vehicle before it is return. The rest of the security bond will be paid at the time of drop off.**

Where a hirer has Platinum Insurance and does not have a credit card then there is a \$500.00 security bond required for any infringements that may occur whilst driving around New Zealand, e.g. speeding fines and camping fines. **This will be refunded 30 days out from your drop off of the vehicle.**
